for service

Who is Stewards Canada?

Stewards Canada is a charitable organization who's primary objective is to serve evangelical churches with favourable mortgages, that may not be available from traditional sources. We believe that Canada is better with thriving church ministries and suitable worship facilities.

These mortgages are made possible by motivated individuals seeking purpose-based ethical investments, that are then supporting the Lord's work in Canadian evangelical churches.

Understanding the unique financial needs of churches looking to build or renovate their premises, Stewards Canada is an organization that provides hope and support towards shovels "hitting the ground," particularly when other options may not be available.

Stewards Canada has been serving Canadian assemblies and churches since 1952. Over 340 churches, across Canada, have received mortgage financing support from Stewards Canada with zero mortgage defaults in its history.

How can we help?

We specifically offer investment products for believers like you, that want to support the growth of the Kingdom of God. Your

investments with Stewards Canada enable Christian ministries the opportunity to build, grow and expand their facilities to help them better serve their communities in proclaiming the Good News. At the same time you will earn a competitive rate of return on your investment.

Why do we help?

In the world of banking, church donation-based income is often considered to be a high risk investment with associated higher interest rates. We understand the challenges of church finances and the heart of donors to see Christ's Church grow. We provide a vehicle for faith-based investments to fund these mortgages in safe investment products for individuals.

How can you take action?

- Invest in a bond or a registered investment product such as: RRSP, RRIF or TFSA. All earn rates of return higher than you might expect to support your retirement/investment goals. Current rates and application forms are listed on our Web site: www.stewardscanada.org
- Pray that you will see God build his Church as He has promised to do!

How will you benefit?

- If you are an evangelical Christian and at least 18 years of age, you will be participating in God's Kingdom work, by helping churches acquire, build, renovate and expand their facilities and property.
- You will earn a better-than-average rate of return, while compounding your investments by supporting churches and growing your savings at the same time.

What are the details?

- Funds can be transferred in from your existing registered investments.
- Bond interest compounded semi-annually
- Registered product values updated monthly.
- Investments can be redeemed at any time.
- Stewards Canada is fully sanctioned with the OSC (Ontario Securities Commission), FSRA (Financial Services Regulatory Authority) and CRA (Canada Revenue Agency).

Investment opportunities

- Demand Variable Rate Bonds
- Registered Retirement Savings Plan (RRSP)
10-year average annual return of 5%
- Registered Retirement Income Fund (RRIF)
10-year average annual return of 4.9%
- Tax Free Savings Account (TFSA)

Please pray

Pray for all the assemblies and churches who are growing and funded by Stewards Canada and investors like you. They have taken a step of faith in assuming debt to assist in the growth of their ministries as they manage their financial affairs carefully, while not compromising their ministry for the Lord.

Our Mission

The Stewards Canada mission is simply stated in our brand tagline “Investing for Service.” Our purpose is to support, enable and serve evangelical churches in the following ways:

- Private individuals and organizations invest their funds with Stewards Canada, earning a competitive investment rate of return while also serving the Lord’s work.
- Stewards Canada is able to invest those funds into mortgages of assembly and church properties that serve the Christian community.
- By investing in their buildings, local assemblies and churches are able to serve more effectively their individual communities.
